REPUBLIC OF IRELAND AND UK COVER

Home and roadside assistance

In the event of the **immobilisation** of **your vehicle**, whether at home or elsewhere, MINI Roadside Assistance Services will arrange assistance for **you**. Whenever practical, **we** will endeavour to arrange assistance by a Customer Service vehicle, but if the problem cannot be resolved at the roadside, **we** will pay the costs of taking **your vehicle** to the nearest authorised MINI Centre or MINI Service Workshop or to the authorised MINI Centre or MINI Service Workshop nearest to **your** home address.

Storage

If **your vehicle** has to be stored following recovery by MINI Roadside Assistance Services, **we** will pay for the cost of storage up to a maximum of €70.

Onward travel/hotel accommodation

Following assistance and in the event that repairs to **your vehicle** cannot be completed within four hours as a result of **immobilisation**, **we** will, whenever possible, organise and pay for **you** and **your passengers** to continue **your** journey or return home by the most appropriate means.

Alternatively, if breakdown occurs more than 80 km from **your** home address and overnight accommodation is a more practical option, **we** will pay for the cost of bed and breakfast for **you** and **your passengers** up to €135 per person. The maximum allowance under this benefit is €670 including VAT.

Car hire

In the event that, following assistance by MINI Roadside Assistance Services, **your vehicle** cannot be repaired within four hours, **we** will, whenever possible, organise and pay for a replacement vehicle for up to two days. The rental provider will need to see **your** valid driving licence and **you** will be asked for a deposit to cover fuel charges and any additional days hire. For further information please refer to the terms and conditions relating to **Republic of Ireland** and **UK** cover on page 14.

Vehicle redelivery

Provided that **your vehicle** has been recovered by MINI Roadside Assistance Services to an authorised MINI Centre or MINI Service Workshop other than **your** local authorised MINI Centre or MINI Service Workshop, **we** will arrange for it to be returned to **your** home address. Alternatively, if **you** wish to collect **your vehicle** personally, **we** will pay the appropriate transport costs to enable **you** to do so.

Glass breakage

We can, if required, contact an authorised MINI Centre or MINI Service Workshop on **your** behalf who will usually be able to arrange replacement glass for **you**. Alternatively, if a repair cannot be effected at **your** location, **we** can arrange to have **your vehicle** stored securely until the necessary parts are available for repair. The additional benefits detailed in this document will not be provided in the event of glass breakage and **you** will be liable for the cost of replacement parts.

REPUBLIC OF IRELAND AND UK TERMS AND CONDITIONS

All costs quoted within this document are inclusive of VAT.

Car hire

Whenever possible **we** will attempt to provide **you** with a replacement vehicle from the repairing authorised MINI Centre or MINI Service Workshop. If **we** are unable to do so then a vehicle will be sourced through one of the major vehicle rental companies. Under any circumstances **you** must be able to comply with their conditions of hire.

You will be responsible for any fuel costs incurred during the period of hire. Certain endorsements on **your** licence may prejudice **your** eligibility to hire a vehicle.

Insurance requirements stipulate that **you** must have held a full EU driving licence for a minimum of 12 months.

Release fees

Should **your vehicle** be stolen and subsequently recovered by the police, **you** may be asked to pay a release fee before **we** can remove **your vehicle** to an authorised MINI Centre or MINI Service Workshop or to **your** home address.

Although **we** can arrange to guarantee these costs on **your** behalf, the payment of such fees is **your** responsibility.

Specialist charges

In the event that the use of specialist equipment is required to provide assistance when **your vehicle** has, for example, left the highway, is in a ditch, is standing on soft ground, sand, shingle, stuck in water or snow or has been immobilised by the removal of its wheels, **we** will arrange recovery but **you** will be responsible for the costs. The costs may be refundable under the terms of **your** motor insurance policy.

Adverse weather conditions

On those occasions when **we** experience adverse weather conditions, such as high winds, snow, floods, etc., external resources may be stretched and some operations become physically impossible until the weather improves. At such times, **our** priority is to ensure that **you** and **your passengers** are taken to a place of safety and so the recovery of **your vehicle** may not be possible until weather conditions permit.

Punctures – Mobility System

Should **you** experience a puncture and **your vehicle** is equipped with a Mobility System, details regarding its operation can be found in **your** owner's handbook or on the device itself. Alternatively, **we** will be happy to explain how the system works to help **you** carry out a temporary repair and resume **your** journey.

Lock out/lost keys

Whilst **we** will always endeavour to provide assistance by the most practical method should **you** be unable to gain entry to **your vehicle**, modern security systems make it extremely difficult for this to be achieved should spare keys not be available.

If a forced entry is required, **you** will be asked to sign a declaration stating that **you** have given permission for this to take place and that any costs for resultant damage will be **your** sole responsibility.

Incorrect fuel

If **your vehicle** is immobilised as a result of refuelling with incorrect fuel, **we** will pay for the cost of recovering **your vehicle** to the nearest authorised MINI Centre or MINI Service Workshop. The additional benefits detailed in this document will not be provided in the event of refuelling with incorrect fuel.

- Any costs as a result of **your** participation in a criminal act or offence.
- Any costs as a result of **your** being under the influence of intoxicating liquor, or solvent abuse or drugs.

CONTINENTAL EUROPE COVER

Roadside assistance and recovery

In the event that **your vehicle** is immobilised in **Continental Europe**, **we** will arrange assistance for **you**. If the problem cannot be resolved at the roadside, **we** will organise and pay for the recovery of **your vehicle** to the nearest authorised MINI Centre or MINI Service Workshop.

Storage

If **your vehicle** has to be stored whilst awaiting recovery or repatriation, **we** will pay storage costs up to €135.

Onward travel/hotel accommodation

In the event that the **immobilisation** has occurred en route to **your** planned destination and **your vehicle** has been taken to an authorised MINI Centre or MINI Service Workshop and cannot be repaired within four hours, **you** may wish to continue **your** original journey; **we** will, wherever possible, organise and pay the cost of the most appropriate method of onward transport to that destination.

Alternatively, **you** may wish to wait for the completion of repairs. If this necessitates an unscheduled overnight stay, **we** will, wherever possible, pay the costs of the hotel accommodation for **you** and **your passengers** up to a maximum of four days and €135 per person per night on a bed and breakfast basis.

Car hire

Provided that **your vehicle** has been recovered by MINI Roadside Assistance Services, **we** will, whenever possible, organise and pay for a replacement vehicle within Europe whilst **your vehicle** is being repaired, up to a maximum period of two weeks. The rental provider will need to see a valid driving licence and **you** will be required to pay a deposit for fuel and any additional days hire.

Please note that **we** cannot guarantee availability of vehicles with accessories such as roof racks, tow bars, etc.

For further information please refer to the terms and conditions on page 19.

Parts delivery

If the parts needed to repair **your vehicle** are not available locally, **we** will organise and pay for the despatch of these parts from elsewhere.

Vehicle repatriation

If **your vehicle** cannot be repaired in Europe or if the repairs will not be completed before **your** intended return date, **we** will arrange and pay for the repatriation of **your vehicle** to the authorised MINI Centre or MINI Service Workshop nearest to **your** home address.

Alternatively, following **your** return and on completion of the repairs, should **you** wish to collect **your vehicle** personally, **we** will arrange and pay the cost of **your** outward journey. The maximum amount payable by **us** for vehicle repatriation will not exceed the market price of the **insured vehicle**.

Additional car hire

If **your vehicle** is being repatriated or has been left in Europe pending completion of repairs following electrical or mechanical failure (not accident or theft), **we** will organise and pay for a replacement vehicle up to a maximum of three days. Terms and conditions apply to this vehicle hire.

If the only qualified driver travelling in the party is repatriated due to illness, **we** will pay the cost of an alternative driver to return **your vehicle** to **your** home address and arrange and pay for the costs of returning other **passengers** to their homes in the **Republic of Ireland**.

If **you** experience any issues whilst travelling abroad with **your vehicle**, even if **you** encounter a legal or medical problem, **our** experienced team of multilingual staff will be able to provide **you** with practical help and advice.

CONTINENTAL EUROPE TERMS AND CONDITIONS

All costs quoted are inclusive of VAT.

If assistance is required in **UK** then benefits will be provided in line with domestic assistances.

Validity

This service is only available for travel not exceeding 91 days in any single trip.

Repatriation

If **your vehicle** has to be repatriated from Europe, **you** should ensure that any items of value are removed. **You** will be asked to provide **us** with a signed inventory of any items left in **your vehicle**. Neither **we** nor **our** agents accept any liability for the subsequent loss of or damage to any items not declared on this inventory.

Adverse weather conditions

During periods of adverse weather conditions, snow, floods, etc., external resources may be stretched and some operations become impossible until the weather improves. At such times, **our** main priority is to ensure that **you** and **your passengers** are taken to a place of safety and so the recovery of **your vehicle** may not be possible until weather conditions permit.

The additional benefits detailed in this document will not be provided in the event of refuelling with incorrect fuel.

Autoroute restrictions

If assistance is required on a French autoroute and certain autoroutes in some other European countries, **you** must use the official SOS boxes at the side of the road in order to arrange initial recovery. **You** will be connected to the authorised motorway assistance service because the roads are privatised and **we** are prevented from assisting on them. **You** should contact MINI Roadside Assistance Services at the earliest opportunity so that **we** can arrange for the most appropriate assistance once **your vehicle** has been recovered from the autoroute. Costs incurred for recovery from the autoroute should be claimed back from MINI Roadside Assistance Services.
